

Alden Primary School

Primary Post & Book Barn

Something very exciting is starting January 11th at Alden Primary School! Children will have an opportunity to visit our school store, The Primary Post, and the Alden Primary Book Barn for the first time this school year!

This year, our store and Book Barn will be available to kindergarten, 1st, and 2nd grade students each Thursday and Friday. If you would like your child to be able to shop at the Primary Post or Book Barn, they must go directly to their classroom teacher when they arrive at school, or after they finish breakfast (if they eat at school). Your child's teacher and the 2nd Grade Primary Pack students will help direct students from their classroom. Remember our Primary Post and Book Barn will be open every Thursday and Friday when school is in session, so there will be plenty of opportunities for your child to participate in this fun!

If you would like your child to be able to purchase items, please be sure to send your child's money in an envelope or baggie clearly labeled with their name, teacher's name, and either "Primary Post" or "Book Barn". With this information, we will know that your child is allowed to purchase items at the store or book barn. The items at the store range from \$0.50-\$3, and all books at the Book Barn are \$3.

In addition to giving our 2nd grade students some extra leadership tasks, The Primary Post and Book Barn have been created to add a little excitement to our kiddos' days here at Alden Primary. Participation is not required, but these opportunities are available if you choose.

We look forward to the fun and excitement this opportunity presents to our Alden Primary School students! Please feel free to reach out if there are ever any questions or concerns.

Sincerely,

Mrs. Bowman (tbowman@aldenschools.org) and Mrs. Mill (cmill@aldenschools.org)
