

CURRICULUM CARNIVAL

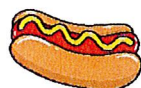

Join us for a night of fun and learning at Alden Primary School!

Food and drink available to purchase!

- Who:** K-2 Students and Chaperones
- Where:** Alden Primary School Cafeteria, Gym, and Library
- When:** Friday, October 20th from 6:00 – 8:00 PM
- What:**

Students can come as guests, choose to be a presenter, or do both! If presenting, students can design an educational display and discuss their project with carnival attendees (students will receive a 1-hr. time slot). Parent involvement is encouraged, and the options are endless! Sample displays could include anything from the fields of science, reading, technology, music, writing, engineering, art, or mathematics. A research project on an endangered species? Sure!... A working Rube Goldberg machine? Definitely!... A replica of the Statue of Liberty built with macaroni? Bring it on!... A diorama that shows a scene from your favorite book? We'd love to see it!

All students must be accompanied by an adult to attend. Students should remain with their chaperone at all times. Although there is no cost to attend the carnival, food and drink will be available for purchase!

If your child would like to be a presenter, please return the slip below to their teacher by **Friday, October 6th** so we can reserve a space! All presenters will have an 18" x 24" surface to set up on. If your child's project requires any special set-up needs, please indicate this. All presenters will receive confirmation of their presentation slot (6:00 - 7:00 PM OR 7:00 - 8:00 PM).

Yes, I want to present my project on Friday, October 20th!

Student Name _____ Grade Level _____

Project Idea _____

Special Requests _____

(access to an electrical outlet, access to water, need a larger table, prefer earlier time slot, etc.)
