

## News and Notes:

\*If you are unexpectedly picking your child up, please try to send a note to your child's teacher in the morning. If an emergency comes up, call the main office as soon as you know to limit confusion at dismissal time.

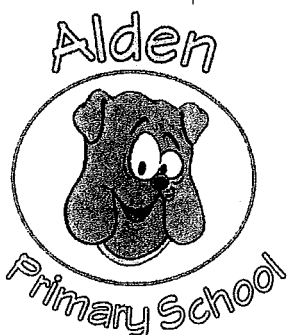

\*Registrations for our next session of extended learning classes will be out soon! If your child enjoyed a class during Session 1, or missed out on the opportunity to participate, more will be on the way. We will be adding some opportunities for kindergarten participation in our next group of courses.
