Dear Families of the Alden Community:

Alden Central School District is reaching out to share information related to the care of children of essential health care workers and first responders. Essential health care workers may include licensed health professionals such as physicians, nurse practitioners, physician assistants, registered nurses, LPNs and nurse assistants or laboratory personnel. First responders may include paramedics, emergency medical technicians, police officers, and firefighters.

The District has reached out to various day care providers within the area and the sites listed below have spaces available and are willing to work with families of essential health care workers and first responders:

- **Precious People Daycare**
