**Welcome to Alden Middle School**

Welcome to the 2021-2022 school year! It is our goal as faculty and staff to provide each student with a safe, healthy environment in which to learn and grow. This handbook is an outline of the Alden Central School District Code of Conduct. Parents and students should view the entire document as posted on our school district website ([www.aldenschools.org](http://www.aldenschools.org)) under the “Parents” tab.

**Student Rights**

Our school is committed to safeguarding the rights given to all students under state and federal law. We expect all students to be respectful and responsible learners. All students have a right to:

- A safe, healthy, orderly and civil school environment.
- Participate in all school activities without discrimination
- Present their version of relevant events to school staff.
- Access and receive an explanation of school rules from school staff.

Alden Middle School students, faculty, staff and visitors follow standards of behavior and conduct that maintain an atmosphere that allows our school to run in an efficient and orderly manner.

There are some specific items in the following pages that are of importance to middle school students and parents. Please take time to familiarize yourself with the additional handbook material.

## **ACADEMIC INTEGRITY POLICY**

### **Copyright**

Copyright refers to the legal right of an author, artist, musician or the like to distribute his or her intellectual property.

You may:

- Make a photocopy of copyrighted material for the purpose of school or personal research
- Get permission from the author to use images, graphics, or portions of the text

You may not:

- Make additional copies beyond what is required
- Sell your copy
- Change the original material
- Display/perform the material outside the domain of your class assignment

### **Cheating**

Cheating is “to violate rules dishonestly” (Merriam-Webster Incorporated, 2015). This includes *all* forms of schoolwork, from formal assignments (tests, quizzes, projects, laboratories, computer projects, etc.) to nightly homework assignments or class work.

Examples of cheating include:

- Bringing answers into the test room
- Copying from another student
- Sharing answers with another student
- Using unauthorized notes or technology (for example calculators, cell phones, etc.)
- Asking/telling other students what is on a test or quiz
- Changing answers after work has been passed back
- Plagiarism: Taking credit for work that you didn’t do, copying word-for-word (using electronic copy-paste functions, using an online translator), or paraphrasing another’s work.

Students’ work should, at all times, be a reflection of their knowledge and abilities. Sources used should be cited by students according to teacher requirements.

### **Noncompliance**

Failure to comply with the guidelines above will result in a grade of zero for the assignment in question. The student may then be required to complete the assignment again, possibly earning back a percentage of the lost points as prescribed by team or individual teacher policy.

A disciplinary referral may be submitted to the office and may result in actions ranging from detention to suspension.

## **ATTENDANCE**

### **Student Attendance Policy**

The Alden Board of Education has adopted the following ATTENDANCE POLICY. Parents and students are to familiarize themselves with the contents of this policy.

### **Attendance Incentives**

The best incentive that we can offer for students to consistently be present in school is a rigorous and relevant educational program for all students. Teams of teachers will meet regularly to discuss interdisciplinary instruction and the success of all students. Additionally, attendance is noted on each quarterly report card and perfect attendance is recognized at an awards program at the end of the school year. This recognition will include perfect attendance for the year, as well as perfect attendance throughout Middle School.

### **Attendance Recognition**

Students having perfect attendance will be recognized annually. To qualify for perfect attendance, an individual may not be tardy to school, later than 7:55 a.m. more than 2 times per semester.

### **Homework Policy**

Homework assignments should be requested for a student on their second day of absence. Please phone to request missed assignments (Guidance Office, 937-9116 ext. 3111) before 9 a.m. and speak with the attendance officer. Homework assignments can then be picked up after 2:30 p.m., preferably by a parent on that day. Work must be made up by dates assigned by teacher.

In order to accommodate vacation work requests, parents should notify the attendance office as far in advance as possible. Teachers will be notified and every effort will be made to honor the requests. Due dates will be assigned at teacher discretion. Some work may need to be made up upon the student’s return.

### **Intervention**

In a collaborative effort on behalf of the middle school principal, attendance officer, school counselors, nurse, and classroom teachers, we will monitor students’ attendance throughout the year. Students who accumulate 10 or more absences per

will be contacted by the principal to make the parents aware of the situation and to invest them in the process of addressing the attendance. If the pattern continues, a second letter will be sent and the parents will be invited to a conference to address the concerns. There are always unique situations within some families, and these will be taken into consideration when addressing attendance issues. The school administration will work closely with the school counselors to ascertain the reasons and possible interventions to improve students' attendance.

When the attendance pattern appears to be a result of a parent or guardian's failure to enable the student's regular school attendance, the Principal and/or School Counselor will report the situation as educational neglect to Child Protection Services and/or Erie County Family Court.

#### **Some general guidelines are:**

- If a student is absent or is sent home ill, they are not allowed to participate in any extracurricular activities. These include sports, musicals, activity nights, and concerts that take place on that day.
- If absent from school, a student must present a note that includes the date and reason for absence from school along with a parent signature.
- In-school and out-of-school suspension will not count as an absence, provided the student satisfactorily makes up class work missed within a period of time specified by the teacher(s).
- Students assigned to in-school or out-of-school suspension are prohibited from attending/ participating in any extracurricular activity for that day.
- Field trips and extracurricular activities will not count as absences, providing the student is able to obtain the approval of teachers/administration and satisfactorily makes up the class work within a period of time specified by the teacher (s).
- Time in the nurse's office will not count as tardiness or an absence with the nurse's approval.

#### **Tardiness**

Students are able to report to the homeroom at 7:40am each school day. Any student who is not in homeroom at 7:55am is tardy. Building administrator, homeroom teacher/attendance officer will determine discipline after multiple occurrences. Students who are tardy will be required to sign in at the attendance office with a note.

#### **Early Dismissals**

Appointments should be made after school or on Saturday, whenever possible. Students must present to the Attendance Office a written permission statement from their parents or the medical office showing the date, reason and signature. Every effort will be made to confirm the validity of the early release.

Parents or guardians must sign students out of the blue or gold office if they are being released at any time other than regular daily dismissal.

#### **BUS TRANSPORTATION**

Students who are provided district transportation are to remain on school property upon arrival at the middle school. Students leaving school property without permission will be subject to an in-school suspension.

- The bus driver is your supervisor and is in charge. His/Her instructions are to be obeyed.
- Profanity will not be tolerated.
- Smoking/Vaping, eating, and drinking are not allowed.
- Remain in your seat. The driver is authorized to assign seats.
- Masks must be worn at all times.

Drivers will use a written Bus Conduct Report in cases of severe behavior problems. A copy of this report is sent to the parent, Transportation Supervisor, bus driver and retained in the student's file. Students will receive consequences for unsafe and/or inappropriate behavior while on the bus. Parents will be contacted if a student receives a Bus Conduct Report or is to be suspended from the bus or placed in a detention. We believe that all students have the ability to improve their conduct. We strive to help students develop responsibility for their actions and improve their behavior. After the third bus conduct report, a student will be suspended from riding the bus.

## CAFETERIA

Our breakfast program is in the school cafeterias. Grades 6-8 will eat in the Cafeteria. Students who participate in the breakfast program may go directly to the cafeteria at 7:40 a.m.

To ensure a pleasant and orderly atmosphere, the following regulations are in effect:

- Faculty and staff supervisors' requests and instructions must be followed promptly and politely.
- Students are expected to clean up the area around their own seat. This is not the job of the monitors.
- Students must report promptly to the cafeteria during their assigned lunch period and sit at their regularly assigned seat.
- Remain seated in the cafeteria unless you are excused by the supervisor.

## CELL PHONE POLICY

Students will be allowed to carry their cell phones throughout the day. Cell phones should not be out during the instructional class periods. They will be collected (at teacher discretion) or must be put away during each class period. Cell phones use will also be prohibited in the restrooms. If a student is on their cell phone during the class period, the following will be enforced:

1<sup>st</sup> offense: Warning by principal, student can pick up at end of day.

2<sup>nd</sup> offense: Confiscated phone and parent must pick up.

3<sup>rd</sup> offense: Confiscated phone and parent must pick up. Student will receive consequence.

## CONDUCT ON SCHOOL PROPERTY

To assure a safe, positive and productive learning environment for all students, rules and regulations require compliance by all. Civil and respectful treatment of teachers, school administrators, school personnel, students and visitors are expected at all times. Noncompliance will require disciplinary action. Actions will be taken if individuals are:

- Disorderly: Use of unreasonable noise, vulgar language or gestures, trespassing, causing disruption, misuse of computer/electronic communication devices,

gambling, refusing to comply with any reasonable order of school officials performing their duties.

- Insubordinate: Failure to comply promptly and politely with directions of school personnel, lateness or leaving school without permission and skipping detention.

Students in violation of these rules will be subject to immediate disciplinary action. As warranted, law enforcement agencies will be notified of code violations that constitute a crime.

A Discipline Referral Form will be submitted to the principal for discussion with the student. It is hoped that the student will learn from the mistake. For repeated occurrences, further actions such as a parent conference, an after school detention, in-school or out-of-school suspension will occur. Discipline will be progressive in nature.

## **CONSEQUENCES**

Students on out-of-school suspension are not permitted to be on school grounds. Students on in-school or out-of-school suspension may not participate in any other school activities during the duration of the suspension. This includes extra-curricular activities, club and organization activities, and athletic activities.

Students who have been assigned administrative detention are notified of the situation verbally and through the use of the Discipline Referral Form. A copy of the report is mailed to the students' parents, another remains in the students' discipline folder, and the final copy is returned to the staff member.

Students must be in good behavioral and academic standing, in order to participate in school sponsored field trips.

## **COVID 19 PROCEDURES**

**Mask Use:** Students are expected to wear masks whenever they are indoors. This includes when riding the bus, traveling in the hallways, in classrooms, in restrooms, etc. Students will have an opportunity to take a mask break every period when they are at their seat. Teachers will provide mask breaks when able, either by designating an area in the room that maintains six feet of distance for a student, or by utilizing a shared large group room or outdoor space. Non-compliant students should be sent to the main office and parents will be asked to pick them up.

**Hallways:** Hallway travel will follow a one-way/stay to the right traffic pattern during morning arrival and afternoon dismissal, as well as passing time. Students traveling in the hallway should stay to the right, allowing more than three feet of distance between students passing in opposite directions. It is not always feasible to have students to maintain three feet of distance while traveling on same side which is why students **must always wear masks** in the hall and should be encouraged to stay separated as much as possible.

**Lockers:** Kids will take a bag from class to class to limit need to go to locker. Times at locker will be staggered. There will be no congregating with peers at lockers. Students will be allowed to use lockers 3x throughout the day.

- Arrival- drop coat/lunch and get materials needed for AM classes
- 10 min hold drop off AM class materials, get lunch and materials needed for PM classes.
- Dismissal- Get items needed for home

**Use of Restrooms:** Students should frequently wash hands after using the restroom. Shared restrooms located in hallways have a limit of four occupants. Students should wait in the hallway if they enter a restroom and find that there are already four students using the facilities.

**Hand Sanitizer:** Hand sanitizer will be available in each classroom as well as in high traffic areas throughout the building. This should be used in addition to hand washing, not in place of hand washing.

**Home Health Screening:** For children who are attending school each day, parents will be required to administer the Alden CSD Daily Home Health Screening Assurance. Completing the sign off of the Health Assurance Form found at [https://www.aldenschools.org/home\\_screen](https://www.aldenschools.org/home_screen) is your assurance that your child does not have a temperature of over 100 degrees and has answered "no" to all questions on the form before placing them on a bus or bringing them to school.

## **EMERGENCY DRILLS**

Standards and procedures to assure security and safety of students and school personnel have been established. Students are expected to immediately comply with all direction from school personnel. ## **HEALTH OFFICE POLICY**

### **Accidents**

Any accidents occurring in the school building or on the school grounds must be reported to the teacher in charge of the activity and to the school nurse. A report will be made and signed by the teacher in charge of the student. Parents will be notified immediately upon recommendation of the nurse and child will be referred to his/her doctor.

### **Illness in School**

If a student becomes ill during the school day, he/she **MUST** obtain a pass from the classroom teacher and report to the school nurse. Students are not to go home without permission. The nurse will provide a re-admit slip for the class missed while in the health office. If the nurse is unavailable, a building administrator should be consulted.

### **Medical Notes**

When a student is absent due to medical reasons (ex. E.R. visit or surgery), a note from the physician should be submitted to the school nurse upon the student's return to school. This information should include the date(s) the student was under his/her care. The note should also indicate the student is able to return to school and any restrictions should be specified (ex. participation in sports or P.E.). A note from the physician is required if an absence is for five (5) or more days. The absence will be considered unexcused unless a physician's note is submitted within three (3) days of the student's return.

### **Returning to School**

Students home ill or sent home from school ill must be without fever (100°F or higher), vomiting, or diarrhea for a full 24 hours before returning to

school. Students must present a written note upon return indicating the date the student was absent and the reason. This note must be signed by a parent.

NYS regulations require new medication orders for medication administration each school year. This applies to both prescription and non-prescription medications (i.e. Tylenol, Motrin, cough drops, and vitamins).

#### **New York State Law requires that:**

New medication forms for both prescription and over-the-counter (OTC) medications (i.e. Tylenol, Motrin, cough drops, and vitamins) must be signed by the provider and parent annually. Orders are good for one year from the date they are written.

- The parent must sign the medication permission form.
- Medication must remain in the properly labeled pharmacy or original OTC container.
- Parents or guardians must personally deliver all medication to the school health office (unless a self-carry order form is signed by **parent and physician**).
- If your child's provider has determined that your child may self-carry and self-administer their medication, please have your healthcare provider complete the appropriate portion of the medication form which requires provider consent. Parent signature is also required.
- For the safety of all students the sharing of **ANY** medication (prescription or OTC) is strictly prohibited and will result in the appropriate discipline.

### **LOCKERS**

Students will be assigned lockers by the homeroom teachers. Lockers must remain locked at all times. Alden Middle School is not responsible for lost or stolen items. No items may be left outside of lockers on the floor in the hallway.

It is the student's responsibility to keep the locker neat and clean. Inappropriate material should not be in lockers nor should there be any writing on the locker. Students may not use their own locks. The locker in which you are assigned remains the property of the school. It may be opened and examined at any time for any reasonable purpose, without prior notice to students and without their consent.

Students will be able to use their locker throughout the day.

### **LOST AND FOUND**

Any found articles should be turned over to the office. Anyone wishing to claim lost articles can do so by asking the secretary in the office

### **PHYSICAL EDUCATION**

The only exceptions are those students who have received a physician's excuse, which states the specific reason for exclusion, sickness and/or injury. The student should report to the school nurse with the excuse prior to his/her physical education class. Students will be expected to complete written work instead of class. Students must be prepared for physical education classes by wearing appropriate clothing. Clothing and other equipment should be taken home at least once a week to be washed. No jewelry may be worn during class.

A student will be excused from physical education, for a piercing, for 4 weeks only. This may occur only once during the school year and must be accompanied by a doctor's note. The student will be expected to complete a written project.

## \_ Alden CSD Daily Home Health Screening Assurance

For each child who is attending school each day, please take a temperature and respond to the following questions:

1. Has this child had any symptoms associated with COVID-19 including, but not limited to: fever or chills, cough, shortness of breath, fatigue, muscle or body aches, headache, new loss of taste/smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea?

***If yes, your child must remain home. Call school to report the absence. Call your family physician.***

2. Has this child received a positive COVID-19 test result and/or is this child awaiting results of a COVID-19 test?

***If yes, your child must remain home. Call school to report the absence. Call your family physician.***

3. Has this child been in close contact with anyone known to have the COVID-19 infection within the last 10 days?

***If yes, your child must remain home. Call school to report the absence. Call your family physician.***

4. Does this child have a measured temperature of 100 degrees or higher today?

***If yes, your child must remain home. Call school to report the absence. Call your family physician.***

Note: By placing your child on the bus each day of attendance you are confirming that you have completed a Daily Home Health Screening and that your response to all of the above questions is “no.” If you are unable to complete a full screening at home, please contact your school nurse so arrangements can be made for a screening prior to your child’s entrance at school that day.

I have read the Alden CSD Daily Home Health Screening procedure and will follow this procedure every time my child attends school this year. I understand my failure to follow this procedure may put people’s health safety in jeopardy. Therefore, prior to placing my child on the bus or to bringing him/her to school, the answer to each question must be no.
